THE UNIVERSITY OF YORK: A CLOSER LOOK

THE UNIVERSITY OF YORK IS ONE OF THE UK'S MOST PRESTIGIOUS AND INTERNATIONAL INSTITUTIONS. BY STUDYING A PATHWAY COURSE, YOU CAN PROGRESS TO THIS PREMIER UNIVERSITY.

“ In little more than 50 years, York has become one of the world's leading universities, gaining international recognition alongside many more established institutions. We are a member of the elite Russell Group, and world-class research informs our excellent teaching. We look forward to welcoming you to the University of York very soon.”

QS 2015/16

Exceptional rankings

The University of York ranks highly in both national and global league tables. It is ranked 17th in the UK (Times and Sunday Times 2017) and 127th in the world (QS 2016/17).

Excellent career prospects

Over 94% of York students are in employment or further study within six months of graduating (Higher Education Statistics Agency). To help you prepare for your future career, the University has a specialist advice team to equip you with the knowledge and experiences needed to help achieve your goals. York also enjoys strong links with leading international companies, including IBM, Mercedes and Microsoft.

Outstanding student support

From your very first day at the University, you will become a member of one of York's nine residential colleges. You will benefit from a fantastic support network, as well as frequent social events and activities, allowing you to settle in quickly and make friends with students from around the world.

A top international experience

York is a truly international university, with more than 3,000 international students from over 160 countries. The University is fully committed to supporting overseas students, and to helping them succeed in their studies. As part of this commitment, the University of York guarantees accommodation for all international students throughout their degree.

Clubs and societies for all

The University of York Students' Union (YUSU) has more than 180 societies and 60 sports clubs for you to join, as well as its own TV and radio stations. This makes the University of York a fantastic place to meet people with similar interests, pursue your hobbies and discover something completely new.

CAMPUS LIFE

AS A STUDENT AT THE INTERNATIONAL PATHWAY COLLEGE, YOU CAN ENJOY LIFE AS A UNIVERSITY OF YORK STUDENT ON A WELL-EQUIPPED CAMPUS, CLOSE TO THE HISTORIC CITY CENTRE.

Modern architecture at the University of York

Ideal campus environment

The University's Campus West is home to the International Pathway College, the University library and many academic departments. York's beautiful and green campus offers a perfect setting for living and studying. The free bus service connects different areas of the campus, allowing you to travel around quickly and easily. The University's city centre site is the historic King's Manor, home to the Department of Archaeology.

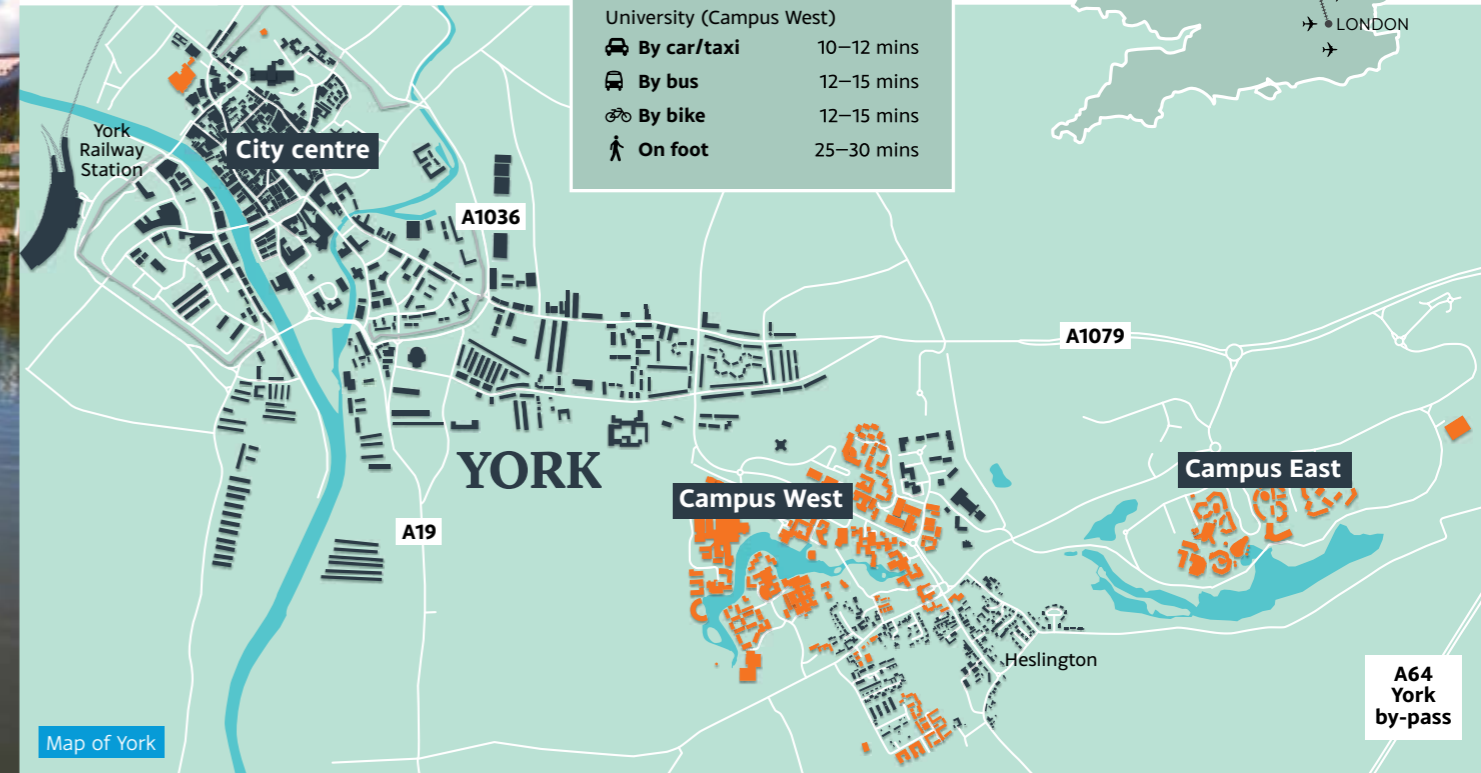

When you pass your pathway course at the required level and progress to your degree, you will already be familiar with the University's campuses. You will remain part of the University's vibrant student community and can continue to enjoy your living and learning environment.

YORK'S CITY CENTRE

World-class facilities

At the International Pathway College, you will benefit from complete access to outstanding campus facilities, including libraries, IT suites, the Students' Union and sports facilities. The University has recently undergone a £500 million expansion and opened seven new buildings, giving students access to state-of-the-art facilities for the 21st century. There are also plenty of shops, banks and cafés nearby, so you'll be within easy reach of everything you need.

INTERNATIONAL PATHWAY COLLEGE

THE ON-CAMPUS PATHWAY COLLEGE IS DESIGNED SPECIFICALLY FOR INTERNATIONAL STUDENTS, WHO CAN LIVE AND LEARN AS UNIVERSITY OF YORK STUDENTS BEFORE STARTING THEIR DEGREE.

Campus West

“ We are so pleased that you are thinking about studying at the University of York and its International Pathway College. Our innovative teaching techniques, specially designed courses and excellent support services will allow you to reach your full potential. I look forward to meeting you soon.”

Doctor Matthew Perry
Director of the International Pathway College

Everything you need to succeed
Studying at the University of York International Pathway College gives you the English language and academic skills, subject knowledge and confidence to succeed in your degree. You'll be well placed to take full advantage of opportunities at the University of York.

Guaranteed entry to the University of York

The International Pathway College is part of the University of York. The course curriculum is designed in collaboration with the University's academic departments to prepare you for your degree and ensure your success. When you pass your course with the required results as detailed in your offer letter, and good attendance, your place on a University of York degree is guaranteed. We also offer a range of start dates, so you can begin your studies at a time that suits you.

World-class resources

As a University of York student at the International Pathway College, you will have access to first-class facilities at the University of York, both during your pathway course and throughout your degree. These include:

- The University library, with a vast collection of printed and digital resources, computer suites and over 1,200 individual and group study spaces
- Fully equipped York Sport Village
- Students' Union offering a wide range of clubs and societies for you to join
- Free Wifi on campus and in the city centre
- The on-campus health centre
- State-of-the-art laboratories and teaching spaces

Fantastic support

You will benefit from a range of other dedicated services, including one-on-one academic support, a special Welcome Week to help you settle in, and a varied programme of exciting social activities.

OUR COURSES

THE DEGREE PREPARATION COURSES AT THE UNIVERSITY OF YORK INTERNATIONAL PATHWAY COLLEGE ARE SPECIALLY DESIGNED FOR INTERNATIONAL STUDENTS. WITH OUR EXPERT HELP, YOU'LL BE READY TO SUCCEED AT YOUR UNIVERSITY OF YORK DEGREE.

The UK education system

In the UK, students normally take A levels before starting their Bachelors (or undergraduate) degree, which usually lasts three or four years. Our Foundation Certificate courses are also a recognised qualification for entry to a Bachelors degree, and are specially designed for international students.

Some university graduates then study for a Masters (or postgraduate) degree, which usually lasts one year. Our Pre-Masters courses bridge the gap between your existing university credit and the level needed for entry to a postgraduate degree.

MORE INFORMATION
kaplanpathways.degree/york

*Please note that selected Bachelors courses include an additional year of study abroad, a work placement in industry or an integrated Masters (MBiol, MBiomedSci, MChem, MEng, MEnv, MPhys, MPsych).

STUDY AT THE INTERNATIONAL PATHWAY COLLEGE

STUDY AT THE UNIVERSITY OF YORK

“All of the teaching within the University of York International Pathway College is provided by University of York subject specialists. In addition to their degree (or PhD), all of the science staff also have a postgraduate qualification in teaching. All of the science tutors are passionate about helping students to achieve their goals. The science team is particularly keen to encourage practical work in the sciences and tries to include as many practical sessions as possible.”

Dr Ben Flowerdew (pictured below)
Science Lead Teacher, University of York

TEACHING THAT TRANSFORMS

INTERNATIONAL PATHWAY COLLEGE COURSES ARE DESIGNED AND TAUGHT BY ACADEMIC STAFF AT THE UNIVERSITY OF YORK. YOU'LL BENEFIT FROM SMALL GROUP SEMINARS TO ACHIEVE YOUR ACADEMIC GOALS.

Learn from the best

At the International Pathway College, you'll benefit from high standards of teaching and have the best possible academic support throughout your university preparation course.

Our teachers have a wealth of experience and come from both academic and professional backgrounds. They work hard to ensure you reach the academic and English language standards required for your University of York degree. With our intensive teaching, our students start their degrees confident and ready to succeed.

Student support

Our classes help students gain confidence quickly and build close relationships with teachers and classmates. Assessments and reports will help you track your progress and prepare you for university.

University learning

As a student at the International Pathway College, you will become familiar with a wide variety of teaching methods used at the University of York. These might include lectures, seminars, laboratory practicals, residential field trips and problem-based learning activities.

Specialist attention

Our tutors excel in identifying areas where you need a little extra help. If necessary, we offer personalised sessions to get you back on the right track.

SUPPORTING YOU AT EVERY STEP

OUR WARM AND WELCOMING STAFF WILL FULLY SUPPORT YOU BOTH BEFORE AND DURING YOUR TIME AT THE UNIVERSITY OF YORK INTERNATIONAL PATHWAY COLLEGE.

Exciting experiences, new opportunities

With us by your side, you will have the confidence to embrace the incredible possibilities and opportunities that come with studying abroad.

Our support starts even before you arrive in York. Contact our advisers and they'll be happy to answer your questions, big or small. You'll also receive a pre-arrival guide, full of essential information and advice for your journey.

Helping you arrive

From the moment you land in the UK, we are there for you. We can pick you up from the airport, transfer you to your accommodation in York, and ensure that you feel safe and comfortable in your new surroundings.

Welcome Week

Before your classes start you'll enjoy Welcome Week, where we help you settle in and do everything we can to make you feel completely at home. You'll meet your teachers and personal tutor, find out more about your course, and tour the facilities.

You'll also receive help with things to make life in York as easy as possible, such as setting up a bank account and registering with the University Health Centre.

Support for parents

All parents are invited to a special event that takes place during the first week of your course. Here they can join campus and city tours and meet key staff.

We also offer to send parents regular updates on your academic progress and well-being, and offer an extra guardianship service for students under 18.

Support whenever you need it

Our Student Support Services team is based on site at the International Pathway College, and is dedicated to making sure you have the support you need during your time in York.

From welfare and academic assistance, to travel and accommodation guidance, our team can offer friendly advice and answer any questions you may have throughout your course. Staff will also point you to other support services available at the University of York, should you need them.

Progressing to your degree

As you approach the end of your pathway course, we'll give you guidance on how to obtain your new visa for your University of York degree. We can also help you explore alternative university options if needed – see the next page for details.

National Railway Museum

International College sports tournaments

Manchester Town Hall

Get involved with College life

We organise frequent activities to help you make the most of student life in York. For example:

- trips to famous UK towns and cities such as Harrogate, Leeds and Manchester
- visits to museums and galleries
- tours of York's Medieval historical sites
- evening outings to theatre productions
- cruises along the River Ouse
- day trips to the UK's best theme parks
- exciting sports and games tournaments

COMPLETE COVER

FROM SCHOLARSHIPS TO BACK-UP PROGRESSION OPTIONS, WE HAVE EVERYTHING COVERED TO ENSURE YOU ARE ON THE BEST PATH TO YOUR FUTURE CAREER.

Insure your studies

Insurance for International Students

We offer all students the option to purchase EduTravel: a comprehensive travel, emergency health, and academic insurance policy. EduTravel is specially designed for international students, so you can be sure you're getting a policy that's ideal for your studies abroad.

Automatic cover

We want to make sure you're fully covered when studying abroad. That's why you must have travel and emergency medical insurance for the full duration of your studies in the UK. To make it easy for you, we'll automatically add EduTravel to your study package.

If you wish to organise your own insurance, you'll need to show us proof of alternative comprehensive cover when you accept your offer to study with us and before you begin your trip to study at the International Pathway College, so we can confirm your place.

In safe hands

EduTravel is provided by Endsleigh, one of the leading UK insurance specialists. Endsleigh has been insuring students for over 50 years, and is the only insurance provider recommended by the National Union of Students, so you'll be covered by true industry experts.

For more information about EduTravel, such as what's included, where you're covered, eligibility criteria and limitations, please visit:

kaplanpathways.com/insurance

The University of York International Pathway College is an appointed representative of Endsleigh Insurance Services Limited, which is authorised and regulated by the Financial Conduct Authority. The University of York International Pathway College is a trading name of the University of York International Pathway College LLP.

Part of the Kaplan family

The University of York International Pathway College is part of Kaplan International Pathways (previously Kaplan International Colleges). Kaplan is proud to be transforming the futures of international students through close partnerships with leading universities around the world. Find out more at: kaplanpathways.partners

Scholarships

We know how much time and effort goes into your studies, and we also know that a high-quality education is a significant and important investment in your future. To make this incredible opportunity more affordable, we offer partial tuition scholarships for International Pathway College courses. These are awarded based on your academic achievements in your home country.

We also reward our best-performing students during their studies at the International Pathway College. If you finish your pathway course with excellent grades and attendance, you could qualify for a partial tuition scholarship for your University of York degree.

University Placement Service (UPS)

UPS is a service at the International Pathway College that gives you extra peace of mind when preparing for your degree. If you pass your pathway course, but don't quite achieve the required results to progress to your University of York degree, the UPS team is there to support your progression to another UK university. We guarantee placements to all of our students who pass their course.

ATTRICTIONS
IN YORK

Living history

Experience York's incredible heritage by walking down its charming cobbled streets, lined with buildings that date back over 1,000 years. York Minster, the largest Gothic cathedral in northern Europe, stands in the heart of the city. York is full of Roman and Medieval history for you to explore.

A city of ideas

York offers a spectacular range of cultural events, celebrating creativity in all its forms. The city is home to York Theatre Royal and the Grand Opera House, which put on first-class productions throughout the year. Other highlights include the Food and Drink Festival, Science Week, a continental Christmas Market, and the Festival of Ideas, which celebrates thought and innovation.

Superb shopping

Some of the best shopping in the UK is found in York. There are over 2,000 stores, including major chains, designer outlets, unique independent shops and organic food retailers. The hugely popular Shambles Market has everything from North African cuisine to vegan food, along with cosmetics and decorations from around the world.

Great connections

York is set in the beautiful Yorkshire countryside, and its location allows you to easily explore the rest of the UK and beyond. Trains reach London in under two hours, and Edinburgh in just two and a half hours. Nearby Leeds-Bradford and Manchester airports offer direct flights to many destinations around the globe.

YOUR NEW HOME

BY BOOKING YOUR ACCOMMODATION WITH US, YOU CAN BE SURE THAT YOU'LL HAVE SOMEWHERE COMFORTABLE, SECURE AND CLOSE TO THE INTERNATIONAL PATHWAY COLLEGE TO RELAX IN AT THE END OF EACH DAY.

Ideal environment

We offer on-campus accommodation at the University of York. While living as a University of York student, you'll be just minutes away from University facilities including the library, IT suites, sports facilities and the Students' Union. Your accommodation is also located within easy reach of York city centre.

Great-value packages

Our accommodation packages are designed to give you total peace of mind, and allow you to focus on your studies and enjoy student life. You'll have your own room with private bathroom facilities, and access to common rooms equipped with entertainment facilities – ideal for making new friends. On-site security and maintenance staff are always available to help you settle in and feel comfortable.

Why choose college-arranged accommodation?

- Residences are safe and secure.
- All bills and maintenance included in the rent payments; nothing extra to pay.
- WiFi included in all options.
- Dedicated booking and post-arrival support.
- Variety of room preferences are available including under-18s and single gender options.
- Free student starter pack including bedding, cooking equipment and essential cleaning items.
- In-house laundry facilities.
- Guaranteed accommodation for the duration of your degree study at the University of York.

Wentworth House

Download the Accommodation Guide

For more details about the available accommodation options, contract dates and prices, visit our website to download our comprehensive Accommodation Guide: kaplanpathways.life/york-housing

Example accommodation prices

Prices depend on your course length and accommodation choice.

Intake	Course / contract length	Approximate prices*
Autumn 2017	Two terms (32 weeks)	£5,210–£5,338
	Three terms (45 weeks)	£7,225–£7,405
Spring 2018	Two terms (30 weeks)	£4,900–£5,020

How to book your accommodation

We guarantee college-organised housing for all of our students as long as they book by the published guarantee date.

- 1) Indicate on the application form that you require accommodation.
- 2) When you receive your offer, confirm your interest by paying the accommodation deposit along with your tuition fee deposit.
- 3) Our expert accommodation team will contact you and guide you through the booking process if you need support.

Please note that all students become a member of one of York's residential colleges during their pathway course and degree. A college fee of £10 per year (up to a maximum of £30 for a course lasting three years or more) is payable by all students.

* Pricing examples are an illustration. Confirmed pricing for each intake will be available on our website two weeks before the booking confirmation period opens.

“ My academic experience at the University of York was great as my course combined academia and practical skills which are vital to my future career. I took theoretical courses in development and policy, as well as a management course where I was able to work on a project with a team of international students.”

Ahmed Elashry
University of York Alumnus

Career: Policy and Development Manager, Middle East and Africa Strategic Advisors Group, Egypt

Biological Sciences

- Reproduction, development and metabolism in animals
- Genetic and cellular principles

Fundamentals of Science

- States of matter
- Trends and patterns in the periodic table
- Chemical bonding, chemical energy changes and solutions

Physical Sciences

- Optics, waves and lasers
- Electronics and magnetism
- Thermal physics and thermal and mechanical properties of materials

Statistics

- Applying statistical knowledge and techniques to real-world problems

Introduction to Social Sciences

- Principles of anthropology, sociology, economics and political science

Statistics

- Applying statistical knowledge and techniques to real-world problems

Maths, Physics and Engineering pathway

Basic Engineering

- Fluid mechanics
- Thermodynamics
- Engineering materials and electronics

Foundation Mathematics

- Algebra, geometry and trigonometry
- Vectors
- Differentiation and integration

Science pathway

Biological Sciences

- Reproduction, development and metabolism in animals
- Genetic and cellular principles

Foundation Mathematics

- Algebra, geometry and trigonometry
- Vectors
- Differentiation and integration

Applied Mathematics

- Mathematical modelling and reasoning skills

Physical Sciences

- Optics, waves and lasers
- Electronics and magnetism
- Thermal physics and thermal and mechanical properties of matter

Fundamentals of Science

- Thermal physics and thermal and mechanical properties of matter

THREE-TERM STUDENTS ALSO STUDY ACADEMIC SKILLS AND LANGUAGE COURSE MODULES:

Language for Study 1

- Speaking, reading, writing and listening in an academic context
- Vocabulary, grammar and pronunciation

Language for Study 2

- Developing academic English knowledge
- Applying academic style to written and spoken work

Introduction to Academic Skills 1

- Key academic and research skills
- Presentation and IT skills for undergraduate study

Introduction to Academic Skills 2

- Evaluating texts and information
- Data analysis

Guaranteed entry to the University of York

You are guaranteed progression to the 1st year of a Bachelors degree at the University of York when you pass your Foundation Certificate at the required level with good attendance. Available degree subjects include:

- Biology
- Chemistry
- Communication Engineering
- Computer Engineering
- Computer Science
- Ecology
- Electronic Engineering
- Environmental Science
- Genetics
- Human Geography
- Mathematics
- Physics

For a full list of available degrees, please see page 28.

Your potential careers

- Biologist
- Biomedical Scientist
- Electronic Engineer
- Environmental Scientist
- Lab Technician
- Mathematician
- Physicist
- Software Engineer

ANY QUESTIONS?

Contact our team for help and advice:

kaplanpathways.study/contact-york

The three-term course can significantly improve your English language skills, even if you have a higher UKVI IELTS score.

Fees are accurate for the 2017/18 academic year, but subject to change for future years. Modules are subject to change.

NEXT STEPS

OUR GLOBAL TEAM OF MULTILINGUAL ADVISERS WILL HELP YOU THROUGH THE APPLICATION PROCESS, WITH EXPERT SUPPORT AT EVERY STAGE. APPLY ONLINE OR FOLLOW THE STEPS BELOW TO COMPLETE THE APPLICATION FORM IN THIS PROSPECTUS.

APPLY ONLINE

Submit your application here:

kaplanpathways.study/apply-york

OR APPLY USING THE APPLICATION FORM

Complete all sections of the application form in this prospectus, indicate whether you also require accommodation, and sign to confirm that you agree to the terms and conditions:

kaplanpathways.com/york-tandc

Attach scanned copies of the required additional documents to your application form:

- Passport and previous UK visas
 - Your IELTS for UKVI (Academic) results
 - Academic transcripts
 - Certified translations if the originals are not in English
- Please note, if you do not have your academic transcripts or UKVI IELTS results, we can still make you a conditional offer.

Send your application and additional documents to one of the following:

- Application and Admissions Centre
- Your education adviser
- Your local Kaplan country office
- Your Kaplan representative

We will send you an admissions decision and offer letter within 24 hours of receiving your complete application.

Unconditional offer: there are no conditions to meet or additional documents to submit.

Conditional offer: there are certain conditions to meet and relevant documents to submit before acceptance.

AFTER YOU APPLY

Ensure you have the required funds to study in the UK.

You must have evidence of holding at least £1,015 for each month of your International College course, up to a maximum of nine months, plus any unpaid tuition fees. This must be held in a recognised bank account for at least 28 days before you apply for your Tier 4 (General) student visa.

Accept your offer and book your accommodation.

Accept your offer and confirm your interest in college-arranged accommodation by paying your accommodation and tuition deposit together (or send a financial guarantee).

Confirm your insurance.

Please note, the insurance policy we offer will automatically be added to your study package, unless you show us proof of an alternative policy.

Receive your accommodation booking confirmation.

If you have paid your accommodation deposit, you will now be able to submit your preferred choice of room. We will then send you confirmation of your room allocation and tenancy agreement.

Receive your Confirmation of Acceptance for Studies (CAS) statement.

For conditional offers, the CAS is sent once we receive proof that the conditions of the offer have been met.

Start the visa application process.

Visit gov.uk/ukvi to find out which documents you need to submit to your local British Embassy or High Commission.

Receive your visa, and ensure you have secured your accommodation. Book your flight and submit your arrival details using our online arrival form.

UNIVERSITY OF YORK INTERNATIONAL PATHWAY COLLEGE: APPLICATION FORM
