# Welcome to Brunel University London

Brunel University London is an exciting place to study, live and socialise. Brunel offers **32 subject areas** and more than 220 module-based undergraduate and postgraduate courses.

Our **1,100+ academics** use state-of-the-art learning facilities and combine theory and practical teaching to help students build knowledge and acquire practical skills they will have for life.

Brunel's campus has everything students need within 10 minutes' walk: **over 4,500 on-campus rooms, 24-hour library, lots of study rooms, choice of cafes and restaurants and world-class sports facilities.**

Today, we are proud to be home to over **2,500 international students** from more than 110 countries.

This short guide tells you what it is like to study at Brunel and shares real stories from some of our international students.

We hope you will find it useful and interesting and if you have any further questions, please get in touch with us.

We would be delighted to hear from you.

# One London campus

Brunel provides everything students need on one campus.

- ▶ Modern, safe, on-campus accommodation with all the essential facilities within walking distance: a mini supermarket, cafes and a bar, 24-hour library, PC rooms, multi-faith prayer areas, a medical centre and pharmacy.
- ▶ A choice of world-class outdoor and indoor sports facilities and over 150 clubs and societies.
- ▶ A convenient campus location – just 45 minutes by underground to Central London, 20 minutes' walk to Uxbridge town and only 15 minutes by car to nearby Heathrow Airport.

Take a look around Brunel campus for yourself on our virtual tour at: [www.brunel.ac.uk/virtualtour](http://www.brunel.ac.uk/virtualtour)

Brunel's sporting facilities have helped train hundreds of athletes who have won 26 Olympic and Paralympic medals between them.

“ Brunel's facilities are exceptional, with everything you need on campus: an excellent library, restaurants and even a medical clinic.

# Vibrant international community

With over 2,500 international students from more than 110 countries - from Argentina to Zimbabwe - Brunel is a vibrant, welcoming multi-cultural community.

International students have the opportunity to work collaboratively, discover how different cultures address global issues and take experiences learnt in lectures straight into the workplace.

Celebrating different cultures is integral to life at Brunel. Every year the University hosts the festival One World Week, to celebrate our diverse community.

To find out more about Brunel's diverse, multi-cultural, international community visit: [www.brunel.ac.uk/international](http://www.brunel.ac.uk/international)

## Applied learning

Brunel is renowned for research-led teaching, strong practical learning and state-of-the-art facilities.

Students develop new study and research skills through lectures, seminars, field trips, presentations, group work and research projects.

Academics help students connect theory with real-world challenges using state-of-the-art learning facilities such as clinical suites, laboratories and workshops.

There is always somewhere for students to work and read - Brunel has over 1,200 study spaces, 500 PCs, group study rooms, silent study areas and 24-hour library.

“ Brunel offers students a world-class education and hands-on experience where the students are encouraged to take part in seminars instead of just sitting back.

## Research programmes

The Research Excellence Framework 2014 placed us 33rd UK university for research power. As well as having access to state-of-the-art academic facilities to support your research, you'll benefit from our partnerships and research collaborations with industry, the public sector, business and government in the UK and overseas.

You can undertake your PhD or MPhil in one of the 15 interdisciplinary themes of research in our Institutes, you can work alongside researchers in our College research areas or you can follow one of our many subject routes.

To find out more about Research at Brunel, visit [www.brunel.ac.uk/research](http://www.brunel.ac.uk/research)

For further details about our programmes, visit [www.brunel.ac.uk/study](http://www.brunel.ac.uk/study)

If you don't meet the entry requirements to study certain degree programmes at Brunel, you will be offered the opportunity to study a Pre-Master's programme at London Brunel International College (LBIC). Find out more at [www.brunel.ac.uk/lbic](http://www.brunel.ac.uk/lbic)

# English language courses

Our on-campus Brunel Language Centre supports international students before and during your degree.

## What we offer

- ▶ Pre-sessional English courses from 4-50 weeks
- ▶ Academic English support during your degree
- ▶ Free modern language courses alongside your degree

For more information about English language support at Brunel, including fees and how to apply, visit

[www.brunel.ac.uk/international/language-centre](http://www.brunel.ac.uk/international/language-centre)

**Need to provide evidence of your English language level? Take the BrunELT (Brunel English Language Test)**

The BrunELT is an established test that has been developed by staff at Brunel to evaluate and provide evidence of your level of English.

We hold the test every two weeks on our campus in London and also in some selected countries throughout the year.

I had a fantastic time on my pre-sessional English course. I really improved my writing skills and now I feel prepared for my degree. And thanks to the social programme, I made lots of friends and went on interesting trips around the UK.

# Accommodation

Brunel has over 4,500 modern, comfortable and safe rooms with a wide choice of accommodation options.

Students have their own bedrooms with free Wi-Fi, and shared communal kitchen and laundry facilities. Nearly all of our campus rooms offer en suite facilities.

Our halls of residence have an electronic door entry system and CCTV, and for peace of mind we have a 24-hour security team onsite too.

All new international students are guaranteed campus accommodation. All that is required is to meet all offer conditions, confirm their place at Brunel and apply for accommodation by the deadline.\*

\*To find out more about Brunel's accommodation choices and application deadlines visit:

[www.brunel.ac.uk/accommodation](http://www.brunel.ac.uk/accommodation)

“ The University has excellent facilities: comfortable accommodation, a warm and friendly international atmosphere, and very qualified lecturers.

Age: 29 years old, From: Lebanon

Studying: MSc in Oil and Gas Engineering ”

# Living costs

The table below is a rough guide to indicate what students might typically spend per month while studying at Brunel University London.

Actual living costs will vary according to lifestyle.

Typical monthly expenses in 2018/19	
Accommodation (on campus)*	£431-£552
Accommodation (off campus, not including bills)	£350-450
Bills (off campus)	£25
Mobile phone	£40
Food and groceries	£150
Travel	£30
Study costs (books and equipment)	£15
Clothes	£50
Hobbies	£10
Social activities	£100
Contingency fund	£50

When students apply for a Tier 4 visa, they must currently show they can afford living costs of £1,265 per month for each month of their course.

We advise students coming to Brunel in 2018/19 to budget for £11,385 each year to cover their likely living costs for each academic year.

For the most up-to-date accommodation charges visit: [www.brunel.ac.uk/accommodation](http://www.brunel.ac.uk/accommodation)

\* All monthly utility, Wi-Fi, basic insurance and bedding costs are included in accommodation fees.

## Social life

Brunel has a lively atmosphere and a very strong sense of community, where making new friends is easy.

Activities and social events are at the heart of campus life. There are 39 international societies, 20 different academic societies and an exciting calendar of on-campus cultural and interest activities to experience.

Socialising away from the campus is simple too - Uxbridge town centre is only a 20-minute walk or short bus ride away and is packed with shops, a multiplex cinema, bars, restaurants and a nightclub.

To find out more about our student societies, clubs and activities visit:

[www.brunelstudents.com/activities](http://www.brunelstudents.com/activities)

World-leading athletes from Usain Bolt to Mo Farah have trained at the Indoor Athletics Centre on campus.

“ Get involved with the societies and the activities that you like doing, because really it's about the memories that you make here.

Name: Meghna Dhanji

Age: 23 years old, From: Kenya

# Useful terms

Below is a short list of some of the most commonly used terms.

## Conditional Offer

This means that students will be accepted onto the course if they meet certain criteria (i.e. grades/English language test).

## Unconditional Offer

A student's offer will become unconditional once they accept their offer and they meet the conditions of their offer. This means they have a definite place on the course.

## Work placements and sandwich years

Some students do a work placement. This extra year is sometimes called a sandwich year, because it is "sandwiched" between the second and final year. It is usually a paid placement.

## Confirmation of Acceptance for Studies (CAS)

The student will be sent a unique reference number (your CAS) which is required for their visa application.

## Undergraduate applications

### Clearing

A service to allow students to apply for a place even if their exam results have not been as good as they had hoped for.

### Firm choice

The offer that the student has accepted as their first choice.

### Insurance choice

The offer that the student has accepted as their second choice.
