Start something amazing

Welcome to INTO Queen's University Belfast, your stepping stone to an internationally-recognised degree from Queen's University Belfast. Together we have one aim: to give international students like you the opportunity to study at the UK's 9th oldest university and an institution ranked in the top 1% of universities worldwide.

INTO Queen's University Belfast is an excellent choice. You'll study a specialist programme designed exclusively for international students and specifically tailored to the requirements of the University. We'll help you to improve your English language, adjust to life as a student at Queen's, and excel in the British education system.

You'll learn in our centre with modern facilities on the beautiful University campus close to the city centre, before confidently progressing to your degree at Queen's. There's no better place to succeed as a student thanks to the University being ranked 1st in the UK in the Russell Group for international students' overall learning experience.

Choosing to study abroad is a big decision. With INTO Queen's University Belfast you can relax knowing that you'll have a fantastic experience and graduate with a qualification that transforms your future.

Choose #INTOQueens and open up a lifetime of opportunities.

About the University

Queen's is one of the oldest and most respected universities in the UK, with one of the most modern campuses, and it's only 15 minutes' walk from the city centre. This award-winning university offers you the perfect combination for student life.

Established: 1845

As soon as you set foot on the campus of the UK's 9th oldest university, you will feel inspired by its history. Described by The Sunday Times as 'Ireland's Oxbridge', the quality of teaching you will receive is first-class. With 24 subjects in the top 20 in the UK (The Times and The Sunday Times Good University Guide 2017) you can be sure to receive the best education.

Stunning city campus

The beautiful architecture on campus is home to first-class learning facilities like the McClay Library and IT training rooms. Here new technology blends e-learning with traditional teaching. What's more, it's within walking distance of the buzz of Belfast city centre!

International network

Worried about fitting in? With 2,100 international students in a student community of 20,000 you don't need to be. It's no wonder Queen's is a top 25 'most international' university worldwide (Times Higher Education World University Rankings 2015-2016). And when you graduate you'll join an international network of over 160,000 in more than 120 countries!

World-class research

Queen's University Belfast is where learning and research come together to create exciting opportunities. As well as being ranked 8th in the UK for 'research intensity' (Research Excellence Framework 2014), the University is part of the Russell Group, a collection of the UK's 24 top-ranking universities – impressive accolades recognised globally.

Maximise your career

Thanks to Queen's international reputation for producing strong graduates, you'll have the edge in the careers market. With links to over 3,000 organisations many degree programmes offer a year in industry. So, if you aren't sure of your career path, this could help you decide.

Get your CV ready

Be one step ahead and discuss your future with a university careers adviser, search for jobs or register for events when you log on to 'MyFuture'. Are you interested in gaining employability skills? Why not join a society, volunteer or do work experience to improve your teamwork and leadership skills. You may even receive the Queen's Degree Plus Award.

"Our international students are highly valued members of the Queen's University family, enriching our diverse learning community and contributing to all aspects of university life."

Isabel Jennings, Director of Marketing
Recruitment, Communications
and Internationalisation

Take a tour of the campus:
[www.intostudy.com/
queens/university](http://www.intostudy.com/queens/university)

Life on campus

With a stunning mix of modern design and historical architecture, not to mention fantastic learning facilities, campus life could not be better! Get ready for a truly special student experience.

Top specialist facilities

Depending on your pathway you can make use of:

Film, music and theatre studios

First Derivatives Trading Room

Robotics laboratory

Virtual reality theatre

"One of the best things about being here is studying on such a diverse campus. When people from different cultures come together it can be challenging, but everything is taken care of by the INTO staff, they prepare us for an international life where you fit in anywhere in the world."

Jenaisheeni, Malaysia
Completed International Foundation and progressed to Finance at Queen's University Belfast

Your Study Centre

The INTO Study Centre is close to everything on campus from the library to the Students' Union, so you are part of the University from day one. It's been designed with you in mind, and it's where most of your classes during your pathway will take place. On some pathways you can even use University facilities including studios and labs. To get you started the Learning Resource Centre has a range of books and study materials. Whether you need to type up notes or photocopy a book, you can do it all here. You'll also find private study spaces throughout the Centre. If you want a break between classes, just head to Café Carberry for a coffee or snack.

Support every step of the way

From the moment you arrive, our Student Services team will help you settle into life in Belfast. Whether you're opening a bank account, planning a trip, or have an academic question, they're here to help. For students under 18 we offer extra support and there's even a 24-hour telephone helpline if you need to speak to someone during out of office hours.

Investing in your future

Queen's has invested over £350 million in the past 10 years to help make your university experience the best it can be.

- Blending a traditional library with the latest technology, everything is under one roof at the **McClay Library**.
- The **Physical Education Centre** offers top sport facilities including exercise studios, a swimming pool and even a sauna! Why not join one of the 50+ sports clubs?
- Study, pray or attend events at one of the **Chaplaincy Centres** that focus on global faith support.

Get involved

There's more to campus life than just studying. You'll take part in an orientation programme in your first week which will give you the chance to meet other students. Parties, day trips and excursions organised by the Student Services team at the Centre will keep you busy the rest of the year.

Head to the Students' Union after class and catch up with friends at **The Speakeasy** bar or **Café Krem**. Or go to the relax and study area called 'The Space'. From **Mandela Hall**, which hosts concerts and club nights, to a bank, a bookshop, and a snack shop – everything you need is at your fingertips.

Make friends and discover new talents by joining one of the 190 clubs and societies at the University. From Basketball to Music, and Baking to Judo, you're sure to find one that's perfect for you.

Hear our students talk about their time at Queen's:

www.myin.to/StudentSupportQUB

Discover Belfast

What makes Belfast the ultimate student city? A buzzing social scene in a city that's small enough to feel like home, but big enough to never run out of things to do. What's more, it's been voted one of the most cost effective student cities!

"The reason I chose to come to Belfast is because it's one of the safest cities in the world and I'd heard that the local people here were very friendly. Now that I've been here for some time, I can say this is true!"

June, Myanmar
Completed International Foundation and progressed to Structural Engineering with Architecture at Queen's University Belfast

Top 5 culture picks

- 1 The University's Naughton Gallery and Queen's Film Theatre
- 2 Metropolitan Arts Centre (The MAC) home to theatres, galleries and a dance studio
- 3 Head to the Ulster Hall and the Lyric Theatre for concerts and comedy shows
- 4 Learn about the historic ship built in Belfast at the Titanic Museum
- 5 Belfast Waterfront is a stunning architectural addition to the riverfront showcasing the best in cultural talent

Lively social scene

Historic pubs and cool clubs give Belfast its reputation as one of Europe's most sociable cities. **The Cathedral Quarter** is where live music and hot spots like the Duke of York create the Belfast buzz. There's always something going on in the concert halls and theatres across the city, not forgetting the **Students' Union** which hosts DJs, bands and comedy nights.

More money for things that matter

Your money goes further in Belfast. This fashionable regional capital is more affordable than every other major student city in the UK (Mercer 2016). Queen's was also ranked first for living and accommodation costs (International Student Barometer 2015). This cost effective city allows you to make the most of your studies abroad.

Top international eateries

Thanks to a vibrant international community, you'll find tasty global cuisine. **Botanic Avenue** is home to student cafés Boojum (Mexican), Sakura (Japanese) and Maggie Mays (Irish). On campus, Relish is ideal for international dishes during the day. Or snack on street food or local specialities like soda bread at **St George's Market** while listening to local live music.

A shopper's paradise

Shopping in Belfast offers you the perfect mix of incredible shopping centres, boutiques, and markets – all within minutes of each other. The two shopping giants, **Victoria Square** and **CastleCourt**, are full of high street shops, while Dock Market highlights the best of the city's art and independent fashion.

Exploring the country

As the capital of Northern Ireland, Belfast is a hub for connections. Take a road trip along the beautiful coast to the **Giant's Causeway**, or for some culture head to Hillsborough Castle where the Royal Family stay when they are visiting. If you're a film fan **Mourne Wall** which featured in the Game of Thrones is a must-see!

"The friendliness of the people is what's most appealing in this small and very walkable city."

(The New York Times 2015)

Find out more about life in Belfast:
www.myin.to/BelfastCityInfo

Home from home

With a choice of student residences close to the Centre, it's easy for you to find the perfect place to stay. Independent living in an international community. The perfect combination when you study overseas.

Elms Village

Enjoy living in this modern village style en suite residence with a shared kitchen. At 'The Treehouse' in the heart of the village you can find a restaurant, bar, shop, lounge and a laundry. Everything you need in one place!

- 10 MIN Walk to INTO Centre
- Laundry facilities
- Wi-Fi
- On-site staff
- En suite bathroom

Catering
Accommodation is self-catered and you can add credit to an 'Queen's Easy Pay' card to buy snacks, drinks and meals sold around campus.

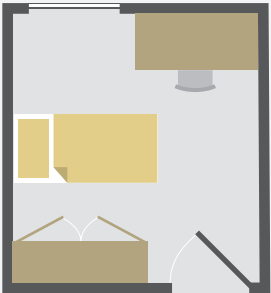

Accommodation guarantee
When you progress you will be guaranteed student residence accommodation during the first year of your degree at Queen's.

Supporting you
In our residences you'll find staff available 24/7 to offer support, and we'll also provide you with a 24-hour helpline telephone number. If you're under 18, we offer extra support from residential wardens.

Willow Walk

A comfortable, private double room which is your space to look after and enjoy. You'll share a bathroom and kitchen with other students. There's also a lounge area with a TV, perfect for socialising.

- On campus
- 10 MIN Walk to INTO Centre
- Laundry facilities
- Wi-Fi
- On-site staff

Choosing your course

Get university ready with our tailored, academic pathway programmes. You'll benefit from university-style teaching and the highest academic standards by choosing one of our programmes designed in partnership with Queen's University Belfast. And when it comes to progressing to your chosen degree, we'll support you with your university application.

"We offer a range of quality academic subject and English Language courses designed to equip you with the knowledge and skills needed for successful university study."

Dr Brian Webb,
Academic Director

Start dates
September and January

Programme length
Full-time 3 years
4 years if you transfer to a MEng degree
or include a sandwich year.

Class hours
Year 1 of study plan: 20 hours per week minimum

Class size
Year 1 of study plan: Maximum of 16 students per
class for English language teaching

Age requirement
16 years and above*

Academic entry requirements
Two 'D' grades from any UK A-level board, successful
completion of a recognised Foundation programme or
first year of an overseas university degree programme
or equivalent with good grades.

All students will be expected to have studied
Mathematics and preferably Physics at this level.

Students wishing to study Chemical Engineering
must have GCSE Chemistry grade 4/C or
equivalent qualification.

English language entry requirements
IELTS 5.5 (with a minimum of 5.5 in all subskills)
or equivalent

If you do not meet the minimum English language
requirements you should apply for our Academic
English course. See pages 34-35 for more information.

Please note that in addition to the UKVI IELTS, INTO is
able to accept other English language qualifications.
For more information on accepted qualifications
please see: www.intostudy.com/self-alternatives

Award and validating body
Successful completion of the Integrated programme
leads to the award of a BEng Honours (RQF Level 6)
from Queen's University Belfast.

Tuition fees
See page 36 for course dates and prices.

For full course information visit:
www.intostudy.com/queens/courses

* All students commencing courses on a published
September start date must be 17 years old by
31 December of that calendar year. For all other
start dates, students must be 17 years old on the
published start date of the programme.

application, contact our Admissions
team or your education counsellor.

Undergraduate degree (Year 2 entry)

- › Combine your International Year One and undergraduate degree in one programme
- › As a single programme of study, you can apply for one visa for the full duration of your programme
- › Choose from 7 degrees at Queen's University Belfast available as an Integrated Programme

Special features

Year 1 of study plan:

- › Improve your English language skills, increase your knowledge of academic theory and develop your understanding of key academic subjects related to your degree.
- › Develop the study and research skills that will prepare you for undergraduate study when you move into Year 2 of your study plan.
- › Benefit from regular one-to-one tutorial meetings with your professional tutor where you will discuss your achievements, progress and plan for future study.
- › Benefit from knowing that you will continue directly to your chosen undergraduate degree in Year 2 of your study plan provided you meet the minimum English language and academic grade requirements.

Product Design Engineering BEng (Hons)	•	•	•									•		•	•				•				•	•	•		•

• Semester 1 • Semester 2

Continuing your studies

You must achieve a minimum average of 60% overall and passes in all ten academic modules in the first year of the programme, as well as grade C with a minimum of grade D in each component in the English Language and Study Skills module, in order to progress to Year 2 of your study plan. For more information on Years 2 and 3 visit: www.qub.ac.uk/Discover/About-Queens/Leadership-and-structure/Faculties-and-Schools/Engineering-and-Physical-Sciences

Transferring to Master of Engineering

All students will automatically be enrolled on the BEng (Hons) degree programme. The option to transfer between BEng and MEng or to include a sandwich year will be possible subject to UKVI regulations. Staff within the University will guide you through the transfer of programmes.

Industrial placements

You may have the opportunity to undertake a 12-month work experience placement between Year 2 and the final year of your degree. This is an amazing opportunity to gain real world engineering experience and improve your technical and professional skills. The placement is optional for all degrees. You will be required to find your own placement, however most Schools have a placement office to support and assist you through the process.

Please note you may need to apply for another visa if you wish to undertake a placement or transfer to the MEng.

Politics, Philosophy and Economics BA (Hons)	ABB and GCSE Mathematics grade 6/B or equivalent	B overall with a minimum of grade D in all components
Sociology BA (Hons)	BBC	B overall with a minimum of grade D in all components
Sociology with Quantitative Methods BSc (Hons)	BBB and GCSE Mathematics grade 6/B or equivalent	B overall with a minimum of grade D in all components

 Placement year option available. This is compulsory for BSc (Hons) Actuarial Science and Risk Management and BSc (Hons) Finance. Students doing a placement year do not need a work permit if the placement is in the UK. Those who do not do the placement are transferred to an equivalent programme without 'with Professional Experience' in the title.

Start dates

March, June, September and January

Programme length

2 terms or approximately 6 months
3 terms or approximately 9 months
4 terms or approximately 12 months
5 terms or approximately 15 months

Class hours

20 hours per week minimum

Class size

Maximum of 16 students per class for English language teaching

Age requirement

16 years and above*

Academic entry requirements

Completion of 12 years of schooling (or the local equivalent to meet the same standard) with good grades. All students must hold a GCSE grade 4/C Mathematics or equivalent.

English language entry requirements

2 term: IELTS 6.0 (with a minimum of 6.0 in all subskills) or equivalent
3 term: IELTS 5.0 (with a minimum of 5.0 in writing and no less than 4.5 in all other subskills) or equivalent
4 term: IELTS 4.5 (with a minimum of 4.5 in writing and no less than 4.0 in all other subskills) or equivalent
5 term: IELTS 4.0 (with a minimum of 4.0 in all subskills) or equivalent
If you do not meet the minimum English language requirements you should apply for our Academic English course. See pages 34-35 for more information.

Award and validating body

Successful completion of the International Foundation programme leads to the award of International Foundation Certificate (RQF Level 3) from Queen's University Belfast.

Tuition fees

See page 36 for course dates and prices.
For full course information visit:
www.intostudy.com/queens/courses

* All students commencing courses for the September start date must be 16 years old by 01 September of that calendar year. For the June intake for the Extended course, students must be 16 before registering at the Centre. For all other start dates, students must be 16 years old by 01 September of the preceding calendar year. Therefore have turned 17 before 01 September of the year they progress to university.

Engineering and Science

- Progress to Year 1 of a wide range of undergraduate degrees
- Gain hands-on experience through laboratory work in the University's fully equipped science labs

What will I study?

English Language and Study Skills (30 credits)
Foundation Mathematics for Engineering and Science (30 credits)

2 of 3:

Foundation Biology (30 credits)
Foundation Chemistry (30 credits)
Foundation Physics (30 credits)

You will need to earn 120 credits to successfully complete your pathway programme.
For detailed module descriptions, please visit: www.intostudy.com/queens/courses

7th

in the UK for Electrical and Electronic Engineering

(The Times and The Sunday Times Good University Guide 2017)

13th

in the UK for Civil Engineering

(The Times and The Sunday Times Good University Guide 2017)

- Special features
- Benefit from a range of practical and theoretical work both individually and as part of a group.
 - Make use of internationally recognised laboratory facilities.
- Learn from subject lecturers on the programme who are qualified to PhD level.
 - Carry out ecology investigations.
 - Take part in an annual Biology Field Trip to an area of outstanding natural beauty.

"The University caters to the requirements of students from diverse backgrounds and provides a world class education whilst developing every student holistically."

Ghassan, Sudan
Completed International Foundation and progressed to Aeronautical Engineering at Queen's University Belfast

Progression options

You can progress to more than 40 degrees at Queen's University Belfast from this pathway. The following table provides information about which modules you need to study and what grades you need to achieve to be guaranteed a place at Queen's University Belfast in September 2019. We've only included the details for some of the most popular degrees our students have progressed to.

Degree subject	Requirements	English level
Aerospace Engineering BEng (Hons)* 	BBC including Mathematics and at least one from Physics (preferred), Biology, Chemistry or Further Mathematics, and GCSE Physics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Applied Mathematics and Physics BSc (Hons)	ABC with A in Mathematics and B Physics	C overall with a minimum of grade D in all components
Archaeology and Palaeoecology BSc (Hons)	BBC and GCSE Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components
Audio Engineering BSc (Hons)	BBB including Mathematics and at least one from Physics (preferred), Biology, Chemistry or Further Maths, and GCSE Physics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Biochemistry BSc (Hons) 	BBB including Chemistry and at least one from Biology (preferred), Mathematics or Physics, and GCSE Biology and Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components
Biological Sciences BSc (Hons)* 	BBB including Biology and preferably Chemistry, and GCSE Chemistry and Mathematics grade C or equivalent	B overall with a minimum of grade D in all components
Biomedical Science BSc (Hons)	ABB including Biology or Chemistry (preferably both),and GCSE Biology, Chemistry and Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components
Business Information Technology BSc (Hons) 	BBB and GCSE Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components
Chemical Engineering BEng (Hons)* 	BBC with B in Mathematics and at least one from Biology, Chemistry or Physics, and GCSE Chemistry and Physics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Chemistry BSc (Hons)* 	BBC with B in Chemistry and a second Science subject, and GCSE Mathematics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Civil Engineering BEng (Hons)* 	BBC including Mathematics and at least one from Biology, Chemistry, or Physics, and GCSE Physics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Computer Science BSc/BEng (Hons)* 	BBB including Mathematics or BBB including Physics or Chemistry, and GCSE Mathematics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Electrical and Electronic Engineering BEng (Hons)* 	BBC including Mathematics and at least one from Physics (preferred), Biology, Chemistry or Further Mathematics, and GCSE Physics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Environmental and Civil Engineering MEng (Hons) 	ABB with A in Mathematics, B in Biology, Chemistry or Physics, and GCSE Physics grade 6/B or equivalent	C overall with a minimum of grade D in all components
Food Quality, Safety and Nutrition BSc (Hons)* 	BBB including Biology or Chemistry (preferably both), and GCSE Biology, Chemistry and Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components
Geography BSc (Hons)	BBC and GCSE Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components
Human Biology BSc (Hons)	ABB including Biology or Chemistry (preferably both, and GCSE Biology, Chemistry and Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components
Marine Biology BSc (Hons)* 	BBB including Biology and preferably Chemistry, and GCSE Chemistry and Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components
Mathematics BSc (Hons)	ABC with A in Mathematics	C overall with a minimum of grade D in all components
Mathematics and Computer Science BSc (Hons)*	ABC with A in Mathematics	C overall with a minimum of grade D in all components
Mechanical Engineering BEng (Hons)* 	BBC including Mathematics and at least one from Physics (preferred), Biology, Chemistry or Further Mathematics) and GCSE Physics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Medicinal Chemistry BSc (Hons)* 	BBB with B in Chemistry and a second Science subject, and GCSE Mathematics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Microbiology BSc (Hons)* 	BBB including Biology and preferably Chemistry, GCSE Chemistry grade B, and GCSE Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components
Pharmaceutical Sciences BSc (Hons)	BBB including Chemistry and at least one from Biology (preferred), Mathematics or Physics, and GCSE Biology and Mathematics at grade 4/C or equivalent	B overall with a minimum of grade C in all components
Pharmacy MPharm (Hons)	AAB including Chemistry and two from Biology (preferred),Mathematics or Physics, and GCSE Biology and Mathematics grade 4/C or equivalent	B overall with a minimum of grade C in all components
Physics BSc (Hons)	BBC with B in Mathematics and Physics	C overall with a minimum of grade D in all components
Product Design Engineering BEng (Hons)* 	BBC including Mathematics and at least one from Physics (preferred), Biology, Chemistry or Further Mathematics, and GCSE Physics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Psychology BSc (Hons)	BBB and GCSE Mathematics grade C or equivalent	B overall with a minimum of grade D in all components
Software and Electronic Systems Engineering BEng (Hons)* 	BBC including Mathematics and at least one from Physics, Biology, Chemistry or Further Mathematics, and GCSE Physics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Software Engineering BEng (Hons)* 	BBB including Mathematics, or BBC including Physics or Chemistry and GCSE Mathematics grade 4/C or equivalent	C overall with a minimum of grade D in all components
Structural Engineering with Architecture MEng (Hons)	ABB with A or B in Mathematics and at least one from Biology, Chemistry or Physics, and GCSE Physics grade 6/B or equivalent	C overall with a minimum of grade D in all components
Zoology BSc (Hons)* 	BBB including Biology and preferably Chemistry, and GCSE Chemistry and Mathematics grade 4/C or equivalent	B overall with a minimum of grade D in all components

 Placement year option available. This is compulsory for BSc/BEng (Hons) Computer Science. Students doing a placement year do not need a work permit if the placement is in the UK. Those who do not do the placement are transferred to an equivalent programme without 'with Professional Experience' in the title.

* Master's option available.

 Find the most up-to-date information here:
www.intostudy.com/queens/courses

Start dates
March*, June, September and January

Programme length
3 terms or approximately 9 months
4 terms or approximately 12 months
5 terms or approximately 15 months

Class hours
20 hours per week minimum

Class size
Maximum of 16 students per class for English language teaching

Age requirement
16 years and above**

Academic entry requirements
Two 'D' grades from a UK A-level board, a recognised foundation, first year of an overseas university degree programme or equivalent with good grades.

All students must hold a GCSE grade 6/B in Mathematics or equivalent.

English language entry requirements
3 term: IELTS 5.5 (with a minimum of 5.5 in reading and writing and no less than 5.0 in all other subskills) or equivalent

4 term: IELTS 5.0 (with a minimum of 5.0 in reading and writing and no less than 4.5 in all other subskills) or equivalent

5 term: IELTS 4.5 (with a minimum of 4.5 in all subskills) or equivalent

If you do not meet the minimum English language requirements you should apply for our Academic English course. See pages 34-35 for more information.

Award and validating body
Successful completion of the International Year One programme leads to the initial award of International Diploma (FHEQ Level 4) from Queen's University Belfast.

Tuition fees
See page 36 for course dates and prices.

For full course information visit:
www.intostudy.com/queens/courses

* This start date is available for the 5 term pathway.
** All students commencing courses for the September start date must be 17 years old by 31 December of that calendar year. For all other start dates, students must be 17 years old on the published start date of the course.

Accounting

- Progress to Year 2 of a professionally accredited undergraduate degree
- Choose from 2 specialist degrees at Queen’s University Belfast

What will I study?
Accounting Information Systems (10 credits)
English Language and Study Skills (20 credits)
Introduction to Financial Accounting (20 credits)
Introduction to Legal Study and Basic Contract Law (10 credits)
Introduction to Management Accounting (20 credits)
Mathematics and Statistics for Business (20 credits)
Principles of Economics (20 credits)

You will need to earn 120 credits to successfully complete your pathway programme.
For detailed module descriptions, please visit: www.intostudy.com/queens/courses

ACCA
maximum nine exemptions through BSc (Hons) Accounting

=4th
in the UK for Accounting and Finance
(The Times and The Sunday Times Good University Guide 2017)

Special features

- Learn how to use specialist accounting software.
- Gain experience analysing statistics and writing detailed financial reports.

- 100% progression rate in 2016.
- Discuss placement and graduate opportunities with accountancy firms and professional bodies at the annual Accounting Mini Fair.

Progression options
The following table provides information about which modules you need to study and what grades you need to achieve to be guaranteed a place at Queen’s University Belfast in September 2019.

Degree subject	Requirements	English level
Accounting BSc (Hons)	50% overall average in academic modules. A minimum of 50% in Mathematics for Statistics and Business; Introduction to Financial Accounting; Introduction to Management Accounting; and Introduction to Legal Study and Basic Contract Law	Grade B with a minimum of grade D in each component
Economics and Accounting BSc (Hons)	50% overall average in academic modules. A minimum of 50% in Mathematics for Statistics and Business; Introduction to Financial Accounting; Introduction to Management Accounting; and Introduction to Legal Study and Basic Contract Law	Grade B with a minimum of grade D in each component

“It doesn’t matter what kind of questions you have about living, making friends, communicating with teachers or academic difficulties, the Support Officer will give you advice to help you best adapt to life here.”

Mingyi, China
Completed International Year One and progressed to Economics and Accounting at Queen's University Belfast

“The opportunities that Queen’s provides us with will really help me to pursue my future career and my dream job.”

Lojayn, Egypt
Currently studying International Year One at Queen's University Belfast

Engineering

- Progress to Year 2 of a wide range of undergraduate degrees
- Choose from five specialist sub-pathways

What will I study?

Core modules
English Language and Study Skills (20 credits)
Engineering Mathematics 1 (10 credits)
Engineering Mathematics 2 (10 credits)

Examples of specialist modules include:
Drawing and Design (10 credits)
Fluid Mechanics (10 credits)
Materials and Manufacture (10 credits)
Structure and Stress Analysis (10 credits)

You will need to earn 120 credits to successfully complete your pathway programme.
For detailed module descriptions, please visit: www.intostudy.com/queens/courses

7th
in the UK for Electrical and Electronic Engineering
(The Times and The Sunday Times Good University Guide 2017)

13th
in the UK for Civil Engineering
(The Times and The Sunday Times Good University Guide 2017)

Special features

- Gain hands-on experience through laboratory work in the University's fully equipped science labs.
- Learn from subject lecturers on the programme who are qualified to PhD level.
- Study using industry-standard computer-aided design and simulation tools.
- Have the opportunity to undertake a placement year as part of your degree at organisations including: BP Chemicals, Pfizer, and Proctor & Gamble.
- 80% progression rate in 2016.

"INTO provides students with a great environment to adapt to the UK education system."

Chun Yin, Hong Kong
Graduated with BEng (Hons) Mechanical Engineering from Queen's University Belfast with First Class Honours and now working as an Assistant Engineer in Hong Kong

Progression options

You can progress to more than 20 degrees at Queen's University Belfast from this pathway. The following table provides information about which modules you need to study and what grades you need to achieve to be guaranteed a place at Queen's University Belfast in September 2019.

Degree subject	Requirements	English level
Aerospace Engineering BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Aerospace Engineering MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Chemical Engineering BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Chemical Engineering MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Civil Engineering BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Civil Engineering MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Computer Science BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Computer Science MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Computing and Information Technology BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Electrical and Electronic Engineering BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Electrical and Electronic Engineering MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Environmental and Civil Engineering MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Mechanical Engineering BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Mechanical Engineering MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Product Design Engineering BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Product Design Engineering MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Software Engineering BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Software Engineering MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Software and Electronic Systems Engineering BEng (Hons) 	A pass with Commendation with a minimum average of 60% and passes in all 10 modules	Grade C with a minimum of grade D in each component
Software and Electronic Systems Engineering MEng (Hons) 	A pass with High Commendation with a minimum average of 70% and passes in all 10 modules	Grade C with a minimum of grade D in each component

 Placement year option available. This is compulsory for BEng/MEng (Hons) Computer Science and BEng (Hons) Computing and Information Technology. Management and Finance

- Progress to Year 2 of a professionally accredited undergraduate degree
- Choose from five specialist degrees at Queen's

What will I study?
English Language and Study Skills (20 credits)
Financial Institutions and Markets (20 credits)
Introduction to Financial and Management Accounting (10 credits)
Mathematics and Statistics for Business (20 credits)
Management and Organisations: Theory and Practice (20 credits)
Principles of Economics (20 credits)

1 out of 2:
Mathematics for Finance and Economics (10 credits)**
The Business Environment (10 credits)[†]
You will need to earn 120 credits to successfully complete your pathway programme.
For detailed module descriptions, please visit: www.intostudy.com/queens/courses

13th

in the UK for its Business School

(Research Excellence Framework 2014)

1st

in the UK among Russell Group Business Schools

(The National Student Survey 2016)

** This module is compulsory for students intending to progress to degrees in Finance and Economics.

† This module is compulsory for students intending to progress to degrees in Business.

Special features

- Develop key academic and professional skills, such as business report writing, presentation techniques and data analysis.
- Visit Queen's Management School and experience the Financial Trading Room, with 12 Bloomberg terminals and software.
- Learn to analyse business case studies and discuss current economic affairs.
- Learn from teachers qualified to MA and PhD level who have extensive experience.

Progression options
The following table provides information about which modules you need to study and what grades you need to achieve to be guaranteed a place at Queen's University Belfast in September 2019.

Degree subject	Requirements	English level
Business Economics BSc (Hons)	50% overall average in academic modules. A minimum of 50% in Management and Organisation: Theory and Practice, Principles of Economics, and The Business Environment; and passes in all other modules	Grade B with a minimum of grade D in each component
Business Management BSc (Hons)		
Economics BSc (Hons)	50% overall average in academic modules. A minimum of 50% in Financial Institutions and Markets, Mathematics for Finance and Economics, and Principles of Economics; and passes in all other modules	
Economics with Finance BSc (Hons)		
Finance BSc (Hons) ⓘ		

Compulsory placement year. Students undertaking a year of professional experience (placement year) do not need a work permit as long as the placement is in the UK.

Finance

- Progress to a range of postgraduate degrees
- Attend guest lectures at Queen's to give you access to the latest developments in your subject

What will I study?
Accounting for Financial Management (20 credits)
English for Academic Purposes (40 credits)
Financial and Economic Strategy (20 credits)
Financial Econometrics (20 credits)
Financial Market Theory and Investment Analysis (20 credits)
You will need to earn 120 credits to successfully complete your pathway programme.
For detailed module descriptions, please visit: www.intostudy.com/queens/courses

13th

in the UK for its Business School

(Research Excellence Framework 2014)

9th

out of 101 Business Schools in the UK for 'research intensity'

(Research Excellence Framework 2014)

Special features

- Study real world case studies from the international business environment.
- Experience the Financial Trading room with 12 Bloomberg terminals and software used by professionals in London and New York during your degree classes.
- Continue learning outside of the classroom through interactive field trips, which have included visiting the Northern Ireland Assembly and local industry.
- Keep up to date with the latest finance developments in the field through leading international journals.

Progression options
The following table provides information about which modules you need to study and what grades you need to achieve to be guaranteed a place at Queen's University Belfast in September 2019.

Degree subject	Requirements	English level %
Accounting and Finance MSc	60% overall in academic modules, with no module score less than 50%	Grade B with a minimum of grade D in each component
Construction and Project Management MSc	60% overall in academic modules, with no module score less than 50%	Grade B with a minimum of grade D in each component
Economics MSc	60% overall in academic modules, with no module score less than 50%	Grade B with a minimum of grade D in each component
Finance MSc	60% overall in academic modules, with no module score less than 50%	Grade B with a minimum of grade D in each component
Queen's MBA MBA*	60% overall in academic modules, with no module score less than 50%	Grade B with a minimum of grade D in each component
Risk and Investment Management MSc	60% overall in academic modules, with no module score less than 50%	Grade B with a minimum of grade D in each component

* Admission to the Queen's MBA degree programme normally requires a minimum of five years' full-time, post-graduation employment experience, preferably in a management role. Applicants must submit a separate online application prior to completing their INTO Graduate Diploma and due to the competition for places, progression is not guaranteed. Applicants must provide a full and up-to-date CV together with a detailed personal statement as part of the online application process. Eligible applicants will be interviewed.

Graduate Diploma

Start dates
June, September and January

Programme length
3 terms or approximately 9 months
4 terms or approximately 12 months

Class hours
20 hours per week

Class size
Maximum of 16 students per class for English language teaching

Age requirement
18 years and above

Academic entry requirements
Pass in an undergraduate degree in any subject from a recognised institution

or
Higher Education Diploma (3-5 years) with acceptable grades in any subject from a recognised institution

Applicants must have previously studied modules in either statistics, mathematics, finance, economics or calculus with good grades.

English language entry requirements
3 term: IELTS 5.5 (with a minimum of 5.5 in all subskills) or equivalent
4 term: IELTS 5.0 (with a minimum of 5.0 in all subskills) or equivalent

English for Academic Purposes (40 credits)
Exploring Culture (20 credits)

You will need to earn 120 credits to successfully complete your pathway programme.
For detailed module descriptions, please visit: www.intostudy.com/queens/courses

13th

in the UK for its
Business School

(Research Excellence Framework 2014)

9th

in the UK for Law

(The Times and The Sunday Times
Good University Guide 2017)

Special features

- Design your own research project,
with a literature review, methodology
and action plan.
- Analyse and interpret practices of global
businesses such as Apple, Google and Nike.
- Attend guest lectures at Queen's to
give you access to the latest developments
in your subject.
- Continue learning outside of the classroom
through interactive field trips, which have
included visiting the Northern Ireland
Assembly and local industry.
- Keep up to date with the latest management
developments in the field through
internationally credited journals.

"Studying at Queen's has given me an understanding of different ideologies. The course covers the concepts and behaviour of business on a global context which has greatly helped me to progress to my postgraduate degree."

Muhammad, Pakistan
Completed Graduate Diploma and progressed to Management at Queen's University Belfast

Law LLM	60% overall in academic modules, with no module score less than 50%	Grade B with a minimum of grade D in each component
Psychological Science MSc†	60% overall in academic modules, with no module score less than 50%	Grade B with a minimum of grade D in each component

 Placement year option available.
* English language requirements may be subject to review for 2019 entry.
** Admission to the Queen's MBA degree programme normally requires a minimum of five years' full-time, post-graduation employment experience, preferably in a management role. Applicants must submit a separate online application prior to completing their INTO Graduate Diploma and due to the competition for places, progression is not guaranteed. Applicants must provide a full and up-to-date CV together with a detailed personal statement as part of the online application process. Eligible applicants will be interviewed.
† Applications for admission must be submitted by 17 May prior to the term of expected entry.

 Placement year option available.
* Please note that normally only the Mandarin-English language pair will be offered.

 Find the most up-to-date information here:
www.intostudy.com/queens/courses

Start dates
June, October, January and April

Course length
1-4 terms

A term typically includes 10 teaching weeks plus orientation and reading days.

Class hours
30 learning hours per week, with 25 hours of taught lessons plus an additional 5 hours online guided study.

Age requirement
16 years or above. You must also meet the minimum age requirements for your chosen academic programme.

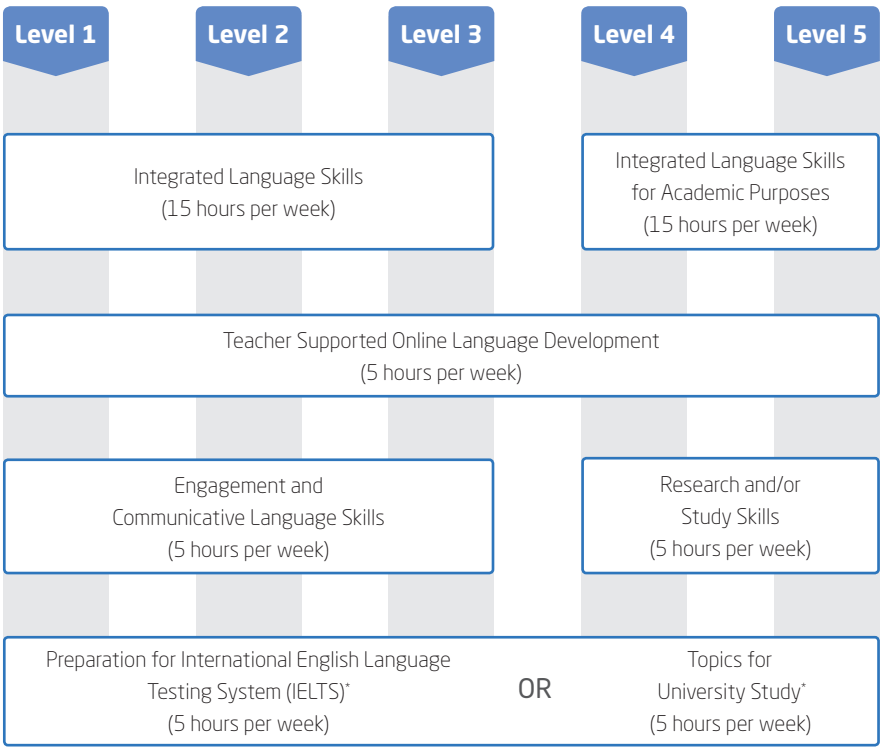

Level
From IELTS 3.0

Accredited by the
BRITISH COUNCIL
for the teaching
of English in the UK

Academic English

- › An intensive course offering rapid progress of up to one IELTS band per term
- › Blend of traditional face-to-face contact and online learning
- › A personalised programme designed to meet your individual learning needs, with five tailored study levels

* These electives may be offered online during certain periods.

- Special features**
- › Develop the language fluency and confidence you need to progress to university.
 - › Gain the skills and knowledge needed for examination success.
 - › Familiarise yourself with subject content related to your future studies to help you prepare for your academic programme.
 - › 24/7 access to 'MyINTO', our interactive online learning platform, providing specially-designed, high-quality online materials that reflect what you study in class, giving you the flexibility to study at time that suits you and study alongside other students outside of class.
 - › A standardised online assessment, developed in partnership with Cambridge English, to test all four core language skills throughout your studies enabling your progress to be accurately monitored.
 - › Continue to develop your confidence and fluency outside of the classroom through a range of less formal learning opportunities, including a diverse social programme.
 - › Improve your language skills pre-arrival with free access to INTO's Get Ready for English programme.

Rapid progress
The speed at which you develop will depend on how long you study with us, your current level, as well as how engaged you are. If you attend all of your classes, complete the exercises set by your teachers and make full use of our digital learning platform, you can expect to progress by up to one IELTS band per term.

Progression to academic study
Once you have reached the level required and met all other requirements, you may progress to your INTO pathway programme. You can also use your test results from Academic English for entry to Queen's University Belfast.

Get Ready for English programme
Our free online course is an great way to improve your English language skills before you arrive in the UK, or if you are preparing to take an English language test in your home country, the course will help you to practise in your own time.

- › Gain a better understanding of your level in listening, speaking, reading and writing.
- › Receive instant, personalised feedback on listening and reading tasks.
- › Receive feedback on writing and speaking tasks from UK based tutors within 48 hours of submission.
- › 24/7 access to all course content through the MyINTO platform , so you can choose when to study and all at your own pace.

To find out more, visit:
www.intostudy.com/get-ready-for-english

Want to find out more?

Please specify number of terms of English

Proposed undergraduate or postgraduate programme (Needs to be completed to enable us to process your application)

Please provide the name of the degree programme you intend to study at university:

Section 4 Student's education history

Please give full details of your current or most recent school, college or university. For visa purposes we must have a full history of your academic background. Please ensure any gaps in your education are fully explained either on the application form or enclosed with your supporting documentation. All official institution transcripts, latest available results or forecast results must be submitted in English. See page 36 for details of documentation you must submit as part of your application.

I confirm that I have included full details of all of my academic studies and do not have any plans to study further prior to enrolling on my programme with INTO. I understand that failure to provide full information on my academic studies may result in a visa refusal and/or dismissal from the Centre.

Institution name		
Dates of study	/ / to / / (dd/mm/yy)	
Date you received (or will receive) your certificate	/ / (dd/mm/yy)	
Highest educational qualification name		
Language of instruction		

Section 5 Current English language proficiency

Please tick and enter details of your most recent English language test.
Note: students will be assessed upon arrival and study plans WILL be altered if there is any discrepancy. Please provide a copy of your certificate.

<input type="checkbox"/> IELTS for UKVI	<input type="checkbox"/> Trinity College London	<input type="checkbox"/> Other (please specify)

Section 6 Welfare

Do you have any conditions, medical or otherwise, that may impact your time in the UK?

Do you consider yourself to have a disability?

Have you been convicted of a relevant criminal offence?

If you have answered **yes** to any of the above, please provide full details with your application on a separate sheet.

Section 7 Accommodation options

Do you require accommodation?

Please indicate the building and room type you would prefer by ticking three boxes below to indicate your 1st and 2nd choice. Please note that INTO aims to provide the highest preference requested but, if this is not available, INTO reserves the right to provide or suggest alternative accommodation. Confirming your accommodation early gives you the best chance of getting the building and room type you want.

	1st preference:	2nd preference:
Elms Village standard single en suite room	<input type="checkbox"/>	<input type="checkbox"/>
Willow Walk room	<input type="checkbox"/>	<input type="checkbox"/>
Homestay	<input type="checkbox"/>	<input type="checkbox"/>

Section 8 Airport pickup

Flight details including arrival date and flight number should be emailed to ukarrival.details@intoglobal.com as soon as possible. All under 18 students **must** either book an INTO airport pickup or provide evidence of alternative arrangements.

INTO Giving: build your employability and make new friends

INTO Giving is a UK registered charity helping educate some of the world's poorest children. You can show how much you care about helping educate some of the world's poorest children by choosing an amount you would like to donate and have added to your invoice/financial statement.

For every penny you donate, INTO will donate another: penny for penny, pound for pound.

☐ £22 ☐ £35 ☐ £50

☐ YES, I am happy to receive INTO Giving project updates and newsletter by email.

Section 9 Declaration

I declare that the information I have supplied on and with this form is complete and correct

I have read and understood and agree to abide by the Terms and Conditions available at: www.intostudy.com/queens/terms

I agree to abide by the Cancellation and Refund Policy as detailed within our Terms and Conditions

I agree to pay all tuition and accommodation and sundry expense fees as they become due

I understand that the giving of false or incomplete information may lead to the refusal of my application or cancellation of my enrolment

I agree that copies of my academic progress and performance reports can be supplied to parents, sponsors or education counsellors without further notification

I agree that my records and achievements may be used for promotional purposes, without further notification

Institution city/town		
Postcode	Country	
Email address		
Have you ever studied in the UK?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
If yes , please provide full details of study durations. Please also include a copy of your previous visa (must be completed for visa purposes).		
From	/ / to / / (dd/mm/yy)	
Have you ever been refused a visa for the UK?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Have you ever been refused a visa application to any country?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
If yes , please provide full details		

Have you arranged to take any other English language test(s) before starting your INTO course?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Name of exam		
Date due to be taken	/ / (dd/mm/yy)	

Travel and medical insurance

Generous scholarships

Need some help with your university tuition fees? INTO Queen's University Belfast scholarships are designed to reward students who perform well in their studies.

Scholarships worth £179,000 in total towards students' tuition fees! All students are welcome to apply, regardless of background or financial circumstances.

Centre Scholarships

- You could be eligible for up to £7,500 towards your tuition fees.
- The average amount awarded in September 2017 in scholarships was £2,500.
- Available for all pathways..
- You could be eligible if you have achieved good grades in your studies and have an unconditional offer.
- Send your completed form, along with a personal statement, to into@qub.ac.uk

University Progression Scholarships

Queen's University Belfast is committed to helping talented and ambitious international students like you, achieve their goal of studying at a world-class university.

We're offering scholarships worth up to **£3,000** towards the tuition fees of your university degree. In 2017 the University offered over **100** progression scholarships for INTO students, and we hope to award many more in the future.

Visit our website for full details of our scholarships and how to apply:
www.intostudy.com/queens/scholarships

"Since receiving my scholarship from INTO I have been encouraged to have more confidence and motivation to continue my studies."

Aimee, Vietnam

"Achieving the scholarship has increased my confidence, which will boost me to do better in the future."

Faisal, Bangladesh

Ask INTO

With so many options it can be hard to choose the right university and course for you. Let us help you with our top tips on what you should consider when choosing to study abroad, as well as advice from our teachers and students.
