# London

Middlesex London offers students a first-class education in one of the world's truly great cities. In recent years we have invested more than £200 million to transform the campus into a state-of-the-art centre for excellence, with facilities and equipment that rival those of the world's top universities.

That investment included a new purpose-built centre for art, design, media and performing arts students, as well as dedicated labs and studios for those studying science, technology and health courses. Whatever you study at Middlesex London, you will have access to the best possible tools to help you achieve success.

Middlesex London is also a beautiful place to study. At the heart of our campus is the historic College building, centred around an expansive quadrangle where students and staff can meet in a relaxed atmosphere. There are also many open areas where you can socialise, in exhibition spaces, cafés and parks.

The state-of-the-art campus is also just a few tube stops from the centre of town, so you will have all that London has to offer at your fingertips.

## What can I study?

### Full academic year

Join one of over 150 undergraduate courses for one academic year across a wide range of subject areas including art, business, design, education, health, law, media, performing arts, science and technology. Visit our website to find details of our undergraduate courses, including module information. [www.mdx.ac.uk/ug](http://www.mdx.ac.uk/ug)

### Single semester

At our London campus, we also offer the opportunity for one semester study abroad from 20 September - 13 January. Modules are offered in a wide range of subjects, visit our website for full details [www.mdx.ac.uk/studyabroad-semester](http://www.mdx.ac.uk/studyabroad-semester)

## Where will I live?

Our halls of residence are close by and are a great way to make friends. We have five halls, with prices ranging from £126 - £250\* per week. All rooms are single-occupancy and self-catering with wifi. Demand is high, so we encourage you to apply as early as possible if you'd like to live in halls.

Alternatively, you may prefer private rented accommodation or private halls of residence, where prices range on average between £85 - £130 per week (not including bills).

For more information visit [www.mdx.ac.uk/accommodation](http://www.mdx.ac.uk/accommodation) or contact our

| Mobile phone                      | £20 – £30   |

### Will I need insurance?

You should take out travel insurance and contents insurance before you arrive in the UK. If you are a single semester study abroad student from outside Europe, you should also take out private health care

insurance. We recommend taking out insurance specifically aimed at students such as Endsleigh [www.endsleigh.co.uk/student](http://www.endsleigh.co.uk/student)

The National Health Service (NHS) is the UK's state health service which provides treatment for UK residents for a range of health care services. Students from Europe receive free medical care from the NHS. Students from outside Europe who are year-long study abroad students will also be entitled to medical care, but most will need to pay a one-off 'immigration health surcharge' to access NHS services. Find out more at [www.gov.uk/healthcare-immigration-application/overview](http://www.gov.uk/healthcare-immigration-application/overview)

### What support will I get when I arrive?

#### International Orientation Programme and Airport Pick-up

Our orientation programme is an essential introduction to living and studying in London with opportunities to make new friends, explore the city, take part in social events and attend information sessions. We also offer a free airport pick-up service from Heathrow, that will take all students booked onto the programme directly to campus or our halls of residence. Find out more, and sign up at [www.mdx.ac.uk/orientation](http://www.mdx.ac.uk/orientation)

#### 24/7 support

All students have 24/7 access to UniHelp, our centralised helpdesk. The service can be accessed by phone, email or in person on campus. It's

your first port of call for all enquiries. No issues are too big or small for UniHelp – simple enquiries may be answered on the spot, while complex enquiries may be referred to our broad range of specialist teams.

### Academic support

Our Learning Enhancement Team (LET) will help you get the most from your studies. They're specialists in academic writing, language and numeracy and offer tailored support on any aspect of your studies from writing essays to exam preparation. They also work closely with students who want to develop their English communication skills. We also offer specialist support for students with disabilities, including dyslexia and dyspraxia.

### Will I need a visa?

Most applicants from outside the EU will need to obtain a visa before travelling to the UK. Single semester study abroad students can apply for a Short Term Study Visa. Year-long Study Abroad students will need to apply for a Tier 4 (General) Student Visa. For more information please visit [www.mdx.ac.uk/visa](http://www.mdx.ac.uk/visa) or [www.ukba.homeoffice.gov.uk](http://www.ukba.homeoffice.gov.uk)

# Dubai

With its state-of-the-art facilities, impressive selection of courses and verdant, landscaped surroundings, our Dubai campus holds the distinction of being our first academic institution outside the United Kingdom. We teach more than 2,500 students from more than 90 countries in Dubai, providing students with an international experience.

Our campus is set in the Knowledge Village, part of the Dubai Technology and Media Free Zone and boasts an inspiring academic environment with its state-of-the-art, purpose-built facilities for student-centred learning. Outside the classroom, you can find sports facilities, a bookshop, food court and prayer rooms – as well as plenty of commercial and retail outlets to choose from.

Dubai stands as a modern, vibrant, cosmopolitan city with unprecedented economic growth, thanks to recent policies encouraging strategic commercial ventures. Many know it as a leading holiday destination, with its soaring temperatures and endless sunshine, where tourists can savour a peaceful and multicultural setting against a backdrop of groundbreaking infrastructure and architecture.

## What can I study?

You can choose to join one of our undergraduate programmes for one academic year. We offer undergraduate courses across a wide range of subject areas including accounting and finance, engineering, business and management, computing and IT, law and politics, marketing, media and communications, psychology and international tourism management. Visit our website to find details of our undergraduate courses. [www.mdx.ac.ae/courses](http://www.mdx.ac.ae/courses)

## Where will I live?

Our brand new accommodation compound consists of 20 luxury villas, located in central Dubai (Al Barsha) and only 10 minutes from Campus. A network of amenities are in walking distance including the local Metro station and store. Facilities include a swimming pool, gym, games room, basketball/badminton court and washing and cooking facilities. Living is segregated and in each villa there is a separate male and female common area. Rooms are fully furnished with an internet connection in rooms and Wi-Fi in common areas. Prices range from AED25,000\* per academic year for sharing to AED55,000\* for a single room. We also require a refundable deposit of AED1,000\*. A culturally appropriate code of conduct, including curfew, applies to students staying in halls.

Alternatively, you may prefer to explore the option of private rented accommodation. Prices vary depending on location. Cheaper areas within a 15 minute drive to the campus include Al Barsha and Discovery Gardens. Some important points to note if renting privately:

- Most landlords will ask for post-dated cheques for the full year of the rental agreement, although you can negotiate monthly, quarterly or half yearly payments.
- Most banks won't allow students under 21 to open a bank account, so you may need to have access to a parents international bank account to provide a cheque to the landlord
- Many landlords don't allow bachelors to share accommodation
- You may need to pay a security deposit
- Ensure accommodation is near public transport, especially Dubai Metro, so you can easily get to university
- You will also be responsible for utility and other service bills such as electricity, gas, phone, water, internet and cable TV

### How much will it cost?

#### Tuition fees

50,000 AED\*

A discount applies for groups of over 10 students from one institution. Tuition fees must be paid prior to enrolment and can be paid with cash (AED or \$), a cheque drawn from local bank in AED, banker's draft in AED, credit card, bank transfer or by credit card via our online payment system.

#### Living costs

While Dubai has developed a reputation for luxury, it is possible to live economically if you shop wisely and budget accordingly.

In addition to your tuition fees you may need to budget for items such as a student visa, medical insurance, transport, accommodation, living expenses, textbooks, field-trips, household items, mobile phone and leisure expenditure.

This list is a rough guide to the cost of some of the everyday items and services in Dubai.

#### Food

|                       |          |
|-----------------------|----------|
| Loaf of bread         | AED 5    |
| 1.5 litre water       | AED 1.50 |
| Can of soft drink     | AED 1.50 |
| Dozen eggs            | AED 10   |
| 1 litre milk          | AED 7    |
| 1kg rice              | AED 10   |
| 750g breakfast cereal | AED 15   |
| Takeaway burger       | AED 18   |

#### Entertainment

|               |        |
|---------------|--------|
| Cinema ticket | AED 35 |
|---------------|--------|

#### Transport

|                                    |           |
|------------------------------------|-----------|
| Average monthly transport cost     | AED 150   |
| Taxi 5km trip                      | AED 10.50 |
| Metro trip (1 zone, standard fare) | AED 2.50  |
| Car hire (per week)                | AED 600   |
| Petrol (per litre)                 | AED 1.72  |

### Banking

In the UAE it is difficult for students under 21 to open a bank account in their own name. We recommend students have supplementary card/cheque access to their parents account with an international bank that operates in the UAE such as Citibank or HSBC. If renting privately this will be extremely important.

### Will I need insurance?

All students studying on student visas are required to have valid medical insurance. We offer medical insurance to all students at competitive rates. The medical insurance we provide offers extensive coverage across hospitals and clinics in the UAE and other countries worldwide. The medical insurance charges are included in the charge for student visas.

### What support will I get when I arrive?

#### Induction and Registration

We run induction and registration events to introduce you to life at Middlesex Dubai, your programme and the services available to support you.

Our induction day will introduce you to the campus, specialist teaching spaces, the library and other facilities and services available to

you. You will also find out about your programme of study and meet academic staff and fellow students.

On registration day, you will formally register and enrol for your programme, sign up for the library, careers and employability service and for student activities.

### Academic support

We offer a free academic enrichment service to all students, which provides extra help with academic studies. This service includes help with time management, finding research material, essay and report writing, oral presentations, and academic referencing.

### Will I need a visa?

All non-Emarati (national) students will need to obtain a student visa for the duration of their studies. We provide student visas for applicants studying with us on a full-time basis. Student visas are arranged through the Dubai Knowledge Village and are available to all international students as well as domestic students over the age of 18 years. Student visas are issued for a duration of 12 months at a time.

You cannot apply for a student visa until you have cleared all academic conditions (if any) and paid your tuition fees along with the student visa charges. The process normally takes 15-20 days and typically applications undergo a security check by UAE government authorities (which may occasionally result in delays beyond our control). We recommend you apply as early as possible.

For current student visa charges and to find out more visit [www.mdx.ac.uk/prospective-students/student-visa](http://www.mdx.ac.uk/prospective-students/student-visa)

### Will adapting to Dubai's culture be a challenge?

The laws and culture of the UAE are quite different from those in Europe and the UK and can provide their own unique challenges for students. Before you decide to study in Dubai, familiarise yourself with the laws and cultural norms of Dubai by visiting [www.dubaifaqs.com/dubai-code-of-conduct.php](http://www.dubaifaqs.com/dubai-code-of-conduct.php)

In Dubai the weekend is Friday – Saturday, and classes run from Sunday – Thursday.

# Malta

Our newest campus opened in September 2013 in Malta, a small island 80km south of Sicily, in the Mediterranean. We are located 10 minutes' drive from the capital city Valletta and next to St. Julian's, known for its nightlife and entertainment. Valletta has been designated European Capital City of Culture for 2018. It is a fascinating and beautiful place, with a rich history dating back to the 16th century. Today it attracts students and tourists from across the world.

Malta's rich culture offers art, theatre, music, and feasts, as well as plenty of sporting events: the national polo team has a proud record, and the island offers fantastic water sports and scuba diving. Other sporting activities such as rugby, football and abseiling are also very popular among the Maltese.

Our campus in Malta is a small and friendly top-up and postgraduate centre of study. It attracts ambitious students who are focused on ensuring the best possible career prospects. Our graduate employment record currently stands at over 95%.

# Mauritius

The tropical island of Mauritius, once a haunt for pirates, is now best known for white sand beaches, casuarina trees, and sugar cane with volcanic mountain backdrops. It is an island for exploring, with Indian temples, colonial houses, botanical gardens, and opportunities to spot rare birds among soaring ebony trees, walk with lions or swim with dolphins.

For Mauritians, a fusion of French, Indian, Creole and Chinese peoples, a big table of food with the family is happiness. The vibrant and harmonious mix of cultures offers an unforgettable experience.

## What can I study?

If you have any questions please contact us at [studyabroad@mdx.ac.uk](mailto:studyabroad@mdx.ac.uk).

#### How good does my English need to be?

If your education hasn't been conducted in English, you'll need to provide evidence of your English language ability to study with us. We accept a range of English tests, the most common is IELTS 6.0 (with 5.5 in all components). The full list of qualifications we accept can be found at [www.mdx.ac.uk/english-reqs2016](http://www.mdx.ac.uk/english-reqs2016)

At our London campus, we also offer pre-sessional English language courses to students who need to improve their English level to study with us. Fees for pre-sessional courses are on top of normal tuition fees, and depend on the length of course required. To find out more visit [www.mdx.ac.uk/presessional](http://www.mdx.ac.uk/presessional)

Please note, for single semester students on the Short Term Study Visa, the maximum pre-sessional course you can study is nine weeks. This is because the total combined study on this visa must be less than six months.
